

/home/mira/CLionProjects
/CAD/graphics.h

```
graph TD; A["/home/mira/CLionProjects<br>/CAD/graphics.h"] --> B["vector"]; A --> C["GL/glut.h"]; A --> D["Point.h"];
```

The diagram illustrates the dependencies of the header file `graphics.h` located at `/home/mira/CLionProjects/CAD/graphics.h`. Three blue arrows point from the main header box to three sub-header boxes below it: `vector`, `GL/glut.h`, and `Point.h`.
